

SUPPLEMENTARY POOL RULES re COVID-19 PANDEMIC
Rev. 7/11/2020

1. A revised pool capacity of 50 has been established based on current social distancing recommendations.
2. Eligible Members (those who have pool privileges and/or their children) may show up on a first-come, first-served basis until capacity is reached.
3. Though groups may come to the pool together, they must follow social distancing and stay at least six feet away from other parties. Social distancing does not apply within families.
4. Eligible Members may bring up to a limit of 2 guests per membership (not counting grandchildren of members) to the pool area. A charge of \$10 per such guest per day will be levied to help offset additional costs entailed by Covid-19 compliance. (The first guest of a single membership remains free.)
5. Masks must be worn when walking around the pool deck. In the pool, they are not required, but social distancing must be observed.
6. Everyone must use cloth barriers (such as towels) in between their person and furniture.
7. Only children under the age of 6 can use the wading pool, accompanied by one adult. There is no sunbathing permitted in that area.
8. Pool furniture may not be relocated. The pool staff has arranged furniture to ensure proper distancing between groups.
9. Groups are only guaranteed space at the pool for one time slot per day. The pool staff will clear out *all* people at posted times, giving a five minute warning before they must pack up their belongings and leave the pool deck. This is required so that the staff can maintain a sanitary space for pool users.
10. Between the dates of June 29th and August 21st, The Sailing Academy participants shall have exclusive access to the pool between the hours of 12:00 to 12:30 PM.
