

December 16, 2021

Dear Junior Member,

A resolution to amend the Shattemuc Bylaws regarding Junior memberships was passed at the Annual Meeting on December 10th. Junior membership is now defined as the following:

A Junior Membership is an annual membership that expires on December 31 of the year unless the member requests to continue the membership for the following year by means and date as established by the Board of Directors. It will be available to an individual up to the age of twenty-one (21) years who shall have the right to use the pool, attend social events and have one dry-sail boat. Junior Members have chit privileges for legally permissible purchases for a minor. Junior Members shall not be entitled to vote, serve as Officers or Directors, or keep boats at slips or on moorings.

The Board of Directors voted to allow current Junior members to indicate their desire to continue membership in 2022 by simply completing this form, returning it either in the included self-addressed stamped envelope, postmarked by December 31st, or by email to membership@shattemucyc.org. You will be notified whether your request has been granted by the Board following the monthly meeting after receipt of your request. **If the form is not returned, it will be assumed that the member is not interested in maintaining membership.**

The form must be completed in its entirety. This form is also available for download at www.shattemucyc.org/junior-sailing-academy/.

Please check one of the following:

- I am requesting to continue my Junior Membership at Shattemuc Yacht club in 2022.
- I understand my Junior Membership at Shattemuc Yacht club will terminate December 31, 2021.
